Subject: daily report

- David disabled the Recycle City background music and deleted the mp3 files from the www3 server.
- Pending web updates of note:
 - Navajo AUM – The new site page requested for the "Cyprus Amax and Western Nuclear" mines is currently drafted and with the program for review and approval.
 - PCB Success Stories – We have buy-in from our counterparts in the national PCBs web area on Karen Irwin's proposed plan to build out an R9 PCBs page within the national web area – Drafting of new page to begin shortly, pending review of finalized stories.
 - Kettleman TSCA Permit – TSCA permit issuance now expected in February, with corresponding web updates.
 - Lighting Resources LLC PCB's – Draft page now with Madison S-C for review – we'll also transform similar content for U.S. Ecology, Clean Harbors, and Veolia.
